

PERSONAL DATA

Family/First Name: Recio Sánchez, Iván
Date of birth: October 11th 1983
Nationality: Spanish
E-mail: irecio@solysol.com.es
Phone number: +34 672239818

EDUCATION & CERTIFICATION

- International Welding Engineer. CESOL. 2010-2011. Certificate No. IWE-ES-952.
- Industrial Mechanical Engineer (BEng, Specialization Industrial Constructions). Universidad Politécnica de Madrid. 2001-2006.
- Level II Visual Test of welds. AEND. Certificate No. E-A-005945-VT-2-S-2.
- Level II Penetrant Test of welds. Bureau Veritas. Certificate No. IND-23-02316-C.
- API 653 Storage Tanks Inspector (American Petroleum Institute). Certificate No. 42169.
- FROSIO Level III Inspector. Certificate No. 9797.

FURTHER EDUCATION

- Design and construction of storage tanks, API 650. 24 hours.
- API 579 Fitness for service. 40 hours.
- Internal corrosion for Pipelines (Advanced). NACE. 40 hours.
- Refractory material. 40 hours.
- Basic Level in Labor Risk Prevention. 60 hours. June 2012.
- Projects technical control and civil works execution. Universidad Politécnica de Madrid. 225 hours. October 2010.
- Welding Inspector. CESOL. 40 hours. October 2009.

WORK EXPERIENCE

- Soluciones Industriales y Soldadura 2008 (Solysol). Accredited Testing Facility by American Welding Society (AWS).
 - Welding procedures & welding performance qualifications (EN ISO, ASME IX, AWS D17.1, AWS D1.1, API1104).
 - Welding coordination activities support to clients.
 - Filler materials and welding equipment evaluation & selection.September 2022 - Currently
- Técnicas Reunidas. Materials Technology & Inspection Department technician.
 - Revision of technical documentation (welding dossiers, material purchase specifications, heat treatments...) related to pressure vessels, pipeline, piping, rotatory equipments, valves, metallic structure and all type of items for oil&gas plants.
 - QC activities in pressure vessels and metallic structure.November 2013 – September 2022
- Bureau Veritas. Servicontrol S.L. NDT Inspector and Coordinator.
 - Technical supervision of mechanical constructions.
 - Welding processes management. Certification UNE-EN-15085.
 - Coordination and implementation of inspections on massive storage tanks (as per API 653).
 - Visual Inspection and Welding Quality Control on High Speed Train Viaduct (AVE Granada, Spain).March 2011 – November 2013
- Terratest Cimentaciones S.L. Foundations Tests Technician.
 - Dynamic, load, integrity and vibrations tests. Test performing and documentation issuing.November 2008 – February 2010
- Meydel Ingeniería Medioambiental S.L. Construction Technician.
 - Civil Works Projects Feasibility and Programming.
 - Technical Documents issuing.October 2007 – April 2008
- SGS Tecnos. Building Works Inspector.
 - Quality Control on metallic and concrete structures from skyscraper Repsol Tower (currently Cepsa Tower), Madrid.November 2006 – May 2007
- Talleres Reysan. Locksmith and Carpentry operator. Family Business.

LANGUAGES

- English: Advanced level.
